## **Welcome to IFS – EDUCATION DEPARTMENT,**

IFS (International Forensic Sciences) is a Govt. Recognized, Govt. Registered and ISO Certified Organization, popular for Online & Distance Learning and Forensic & Criminal Investigation Services. IFS's self paced study courses are provided in online and distance format and may be taken at any time, accommodating all schedules.

IFS's Education Department engaged in offering Online & Distance Courses and Forensic Services such as Forensic Lab Testing, Forensic Training, Certification and Standardization services. Our Online & Distance Courses are a simple and cost-effective learning solution, we're here to help you launch or enhance your creative career. Students can participate in courses from virtually anywhere and any time around the world.

Our Education Department is devoted to high-quality online education; you can establish meaningful interaction with instructors and students via the Internet, Student Portal and E-Mails without leaving your home. IFS Course materials include resources with a variety of media types like- PDF Documents, Power Point Presentations, Photos, Audio Files, Video Documentaries, e-Books, Software's, and other resources.

We also provide free job placement assistance worldwide.

An education in Forensic Sciences, Cyber Forensics, Cyber Crime, Cyber Law, Cyber Security, Forensic Psychology, Crime Scene Investigation, Questioned Document and Handwriting etc courses provides the backbone for those who wish to work within the justice department as a Forensic Expert, Scientist, Administrator, Bailiff, Private Investigator, Detective, Forensic Analyst, Forensic Examiner, Teacher, Psychologist, Legal Consultant or in other positions. We prepares students with competencies in the areas of finding, preserving, developing, collecting, analyzing, recording and presenting physical evidences utilizing modern scientific methods used in the field and laboratory for forensic identification. Students may begin the course and complete assignments at their own convenience. Upon completion of course content requirements, satisfactory performance on assignments, examinations and evaluation completion, students are awarded a Course Degree / Diploma Certificate of Completion, Mark Sheets and Course Completion Letter.

These courses are designed to provide you with crucial information that will allow you to become Qualified Expert in relative area of Forensic Science. The online delivery system works well for busy, practicing professionals, forensic scientists, experts, lawyers, students etc... Our courses can be studied in the comfort of your own home or office, our courses can be studied online or offline in both modes.

**We provide a wide range of Forensic Sciences, Cyber and many other courses like-**

- ✓ **Short Term Courses**
- ✓ **Certificate Courses**
- ✓ **Diploma Courses**
- ✓ **Advanced Certification Courses**
- ✓ **Post Graduate Certification Courses**
- ✓ **Specialized Courses**
- ✓ **IFS Certifications**
- ✓ **Trainings and Internships**

## **COURSES-**

- Forensic Science and Criminology
  - Questioned Documents and Handwriting
  - Cyber Forensics, Cyber Crimes, Cyber Security & Cyber Law
  - Forensic Science and Criminology
  - Forensic Science and Fingerprint
  - Forensic Science and Document Examination
  - Document and Fingerprint Examination
  - Fingerprint Expert
  - Cyber Forensics
  - Forensic Biotechnology and DNA Fingerprinting
  - Forensic Science and DNA Fingerprinting
  - Fire and Arson Investigation
  - Forensic Psychology and Criminal Profiling
  - Forensic Accounting and Fraud Examiner
  - Forensic Science and Forensic Photography
  - Forensic Odontology
  - Forensic Science and Forensic Odontology
  - Forensic Entomology
  - Cell Phone Forensics (Mobile)
  - Private Investigator (Detective)
  - Forensic Science and Forensic Graphology
  - Wildlife Forensics and Nature Conservation
  - Crime Scene Investigation
  - Disk Imaging and eDiscovery
  - Cyber Law
  - Forensic Science and Cyber Forensics
  - Forensic Pharmacy (Pharmaceutical Jurisprudence)
  - Forensic Engineering
  - Forensic Medicine and Toxicology
  - Forensic Science and Forensic Medicine
  - Forensic Audio and Video Analysis
  - Forensic Detective
- and more...

**FEE STUCTURE  
COURSE DURATION  
AND SYLLABUS**

## ONLINE, DISTANCE COURSES AND CERTIFICATION FEES:

Course / Certification Type	Fee (INR) Indian	Fee (USD) International	Duration
Short Term Certificate Course	5000 Rs.	100 USD	02 Months
Advanced Course Certification	10,000 Rs.	200 USD	06 Months
PG Certification	15,000 Rs.	300 USD	12 Months
Certification (Expert / Gold)	20,000 Rs.	400 USD	06 Months
Professional Specialized Certification	30,000 Rs.	600 USD	12 Months
Universal Certification	35,000 Rs.	750 USD	12 Months
<b>IFS Certification / Certified Expert</b>	7,000 Rs.	175 USD	- - -

\* Above Fee is same for all courses

**Course Fee Concessions, Scholarships and Special Fee Discounts are available.**

**You can join and complete these courses: without leaving your current job or college.**

**Documents Required:** (Self Attested Photocopies OR Scanned Documents)

- 1) Educational Qualification Certificates (Mark Sheet and Certificate of any Higher Qualification)
- 2) Additional Qualification Certificates (Optional)
- 3) Identity Proof / Residence Proof (Any One- PAN Card, Passport, Voter ID Card, University Identity Card, College I-Card, Employee Identity Card etc)
- 4) Passport Size Color Photograph (Apply for I-Card from your Student Control Panel)

For detailed document requirements please visit- [www.ifs.edu.in/documents-required/](http://www.ifs.edu.in/documents-required/)

### FEE PAYMENT OPTIONS:

- Online Fee Payment
- By Net Banking and Online Transfer
- By NEFT, RTGS, IMPS and UPI.
- By Credit Cards and Debit Cards
- By Credit Card EMI and Pay Later.
- By PayTM, Google Pay, PhonePe etc
- By Phone Wallets, PayPal
- By Cheque and Demand Drafts (DD)
- By Cash Deposit and Cash

## **FORENSIC SCIENCES COURSE SYLLABUS - Course Code: FS001**

- Forensic Sciences: Basics, Ethics, Rules, Laws, Procedures, Scope, Importance, Cross Examinations etc....
- Investigating the Crime Scene (The Crime Scene and the Collection of Evidence)
- Investigating and Processing Physical Evidence
- The Microscope and Forensic identification of Hair and Fibers
- Toxicology, Forensic Medicine, DNA and Serology
- Questioned Documents and Handwriting, Fingerprints, Tool marks etc
- Firearms, Arsons, Explosives and the Investigation of Bombings (Ballistics)
- Forensic Psychology, Anthropology, Forensic Engineering, Forensic Entomology, Wildlife Forensics and other important issues...

## **QUESTIONED DOCUMENTS AND HANDWRITING - SYLLABUS – Course Code: QD003**

Introduction, Basic Terminologies, Common individual characteristics associated with handwriting, Important guidelines for the collection of known writings for comparison to a questioned documents, Identify some of the techniques to uncover alterations, erasures, obliterations, and variations in pen inks, Nature and problems of document examination. Classification of documents, Preliminary examination of documents, Basis of handwriting identification, Various types of documents, General characteristics of handwriting, individual characteristic of handwriting, basic tools needed for forensic documents examination and their use, Disguised writing and anonymous letters, Examination of signatures, Determination of age of documents by examination of signatures. Examination of computer print out, identification of dot-matrix, ink-jet and laser printers, electronic typewriter, e- Documents, digital signatures, opinion writing, reasons for opinion and cross examination.

## **CYBER FORENSICS, CYBER CRIMES, CYBER SECURITY & CYBER LAW- CC: CF002**

### **Computer Basics-**

Introduction to Computers, Computer History, Software, Hardware, Classification, Windows, Basic Computer Terminology, Computer Storage, Computer Ethics and Application Programs

### **Cyber Forensic Basics-**

Introduction to Cyber Forensics, Storage Fundamentals, File System Concepts, Data Recovery, Operating System Software and Basic Terminology.

**Cyber Forensics Investigation-** Introduction to Cyber Forensic Investigation, Investigation Tools, eDiscovery, Digital Evidence Collection, Evidence Preservation, E-Mail Investigation, E-Mail Tracking, IP Tracking, E-Mail Recovery, Encryption and Decryption methods, Search and Seizure of Computers, Recovering deleted evidences, Password Cracking

**Data and Evidence Recovery-** Introduction to Deleted File Recovery, Formatted Partition Recovery, Data Recovery Tools, Data Recovery Procedures and Ethics, Preserve and safely handle original media, Document a "Chain of Custody", Complete time line analysis of computer files based on file creation, file modification and file access, Recover Internet Usage Data, Recover Swap Files/Temporary Files/Cache Files, Introduction to Encase Forensic Edition, Forensic Tool Kit (FTK) etc.

**Cyber Crimes and Cyber Laws-** Introduction to IT laws & Cyber Crimes – Internet, Hacking, Cracking, Viruses, Virus Attacks, Pornography, Software Piracy, Intellectual property, Legal System of Information Technology, Social Engineering, Mail Bombs, Bug Exploits, Cyber Crime Investigation and Cyber Security etc...

### **Cyber Security-**

Introduction to Cyber Security, Implementing Hardware Based Security, Software Based Firewalls, Security Standards, Assessing Threat Levels, Forming an Incident Response Team, Reporting Cyber crime, Operating System Attacks, Application Attacks, Reverse Engineering & Cracking Techniques and Financial Frauds

### **FORENSIC ODONTOLOGY: SYLLABUS -Course Code: FO-005**

Introduction to: Forensics, Introduction to Forensic Odontology / Dentistry, Introduction to Forensic Anthropology, Role and Importance of Forensic Odontologist, Forensic Dentistry and the Law, Identification of human remains, Identification in mass fatalities, Assessment of bite mark injuries, Age estimation, Bite Marks, Use of Bite Marks to Identify Individuals, Post-mortem Identification, Evaluation of dental evidence, Dental Records and Profiling, DNA extraction from tooth, Introduction to Indian Evidence Act, Forensic Biology, DNA Testing, Evidence Collections, Chain of Custody and other areas related to Forensic Sciences etc

### **DNA FINGERPRINTING - SYLLABUS - Course Code: DNA102**

Introduction to DNA fingerprinting / DNA Profiling / DNA Testing, History of DNA fingerprinting, Ethics, Rules and Procedures, Restriction fragment length polymorphism (RFLP), Random amplified polymorphic DNA (RAPD), Amplified fragment length polymorphism (AFLP), Microsatellites, PCR amplifications, Single nucleotide polymorphism (SNuPs), Genetic linkage mapping, Physical mapping of the genome; BAC end sequencing, Extract DNA from blood and biological material, and other tests for DNA, DNA Testing Tool, Kits and Equipment etc...

### **FORENSIC PSYCHOLOGY - SYLLABUS - Course Code: FPS103**

Introduction to Forensic Psychology, Psychologists & the Legal System, Personality Assessment in Personal Injury Litigation, Identification and Evaluation of Criminal Suspects, Violence Risk Assessment- Research, Legal and Clinical Considerations, The Rights of Victims and The Rights of the Accused, Psychology of Victims, An introduction to personality disorders. Therapy interfering behaviors, Polygraph Testing, Narco-analysis, Lie-Detection, Brain Profiling, Interviewing techniques, Offender profiling, Modus Operandi, Portrait Parle etc..., Role of psychologists in relation to the legal framework etc...

### **CRIMINOLOGY AND INDIAN LAWS - SYLLABUS - Course Code: CIL105**

Introduction to Crime, Criminology and Indian Laws, Theories of Criminology, The Criminal Justice System, Criminal Profiling, How To Be Your Own Private Investigator, Crime against woman and child, Drug Addiction and crime, White Collar Crime, Political Crime, Property Crime, Violent Crime, Introduction to Indian Justice System, Indian Penal Code, Code of Criminal Procedure, Indian Evidence Act, NDPS Act etc...

### **CRIME SCENE INVESTIGATION - SYLLABUS - Course Code: CSI101**

History of Forensic Investigation, Introduction to Crime Scene Investigation, Locard's Exchange Principle, Types of Evidence and Protecting the Evidence, Dealing with Suspect Persons, Witnesses and Family Members, Identifying Physical Evidence, Examination of glass and soil, Role of Crime Scene Investigator, Processing a Crime Scene, Crime Scene Documentation, Collecting the Evidence, Crime Scene Photography and Sketching, Chain of custody and Forwarding of different types of evidences to the laboratories, Interpreting a Crime Scene, Techniques for Handling Evidence, Blood Spatter Analysis, Reconstructing a Crime Scene, Crime Scene Tool, Kits and Equipment etc...

### **FINGERPRINT VERIFICATION - SYLLABUS - Course Code: FPV104**

Introduction to Fingerprints, History and Development of Fingerprints, Classification of Fingerprints, Henry system of fingerprint classification, Identifying various fingerprint patterns, identifying individuals from fingerprint patterns. Lifting finger prints from various objects, Types of Fingerprints and Class & Individual Characteristics, Different methods of latent fingerprint development Photography of fingerprints, Comparison / Verification of fingerprints, Automatic fingerprint identification system, Finger print expert in court, Expert Opinion Writing etc...

## **WILDLIFE FORENSICS - SYLLABUS - Course Code: WLF107**

Introduction to Wild Life and Wildlife Forensics, Protected and endangered species of Animals, Reptiles, Snakes and Plants, Identification and examination of physical evidence and poaching, Identification of Pug marks of various animals, Birds etc... Nature Conservation and Anti-Poaching, Census of wild life population, Forensic Entomology- Study Insects in Wildlife, Protection of Forest from Fire and other threats Wildlife Protection Act, Wildlife Forensic Expert, Report Writing

## **FORENSIC GRAPHOLOGY – SYLLABUS**

Introduction, History, and Basic Knowledge of Handwriting Analysis, Graphology etc... Scope and Use of Graphology, Graphology and Questioned Document & Handwriting, Psychological Theories of Personality as applied to Graphology, National Style Characteristics, Study of Slant, Alignment, Size, Pressure, Speed, Stroke Structure, Angle etc... The basic writing features and analysis technique, criminality in handwriting Self awareness and analysis of own handwriting, Business report writing, Personality profiles and report writing, and more....

## **CYBER LAW - SYLLABUS:**

### **Cyber Crimes and Cyber Laws-**

Introduction to IT laws & Cyber Crimes – Internet, Hacking, Cracking, Viruses, Virus Attacks, Pornography, Software Piracy, Intellectual property, Legal System of Information Technology, Social Engineering, Mail Bombs, Bug Exploits, Cyber Crime Investigation and Cyber Security etc...

**Cyber Crime Investigation-** Introduction to Cyber Crime Investigation, Investigation Tools, eDiscovery, Digital Evidence Collection, Evidence Preservation, E-Mail Investigation, E-Mail Tracking, IP Tracking, E-Mail Recovery, Encryption and Decryption methods, Search and Seizure of Computers, Recovering deleted evidences, Password Cracking

## **FORENSIC PHOTOGRAPHY : SYLLABUS -**

Fundamentals of Photography, Choosing your Camera, Use of natural light and portrait photography, Crime scene photography, Micro and Macro photography, Color Photography, Advanced Digital Photography Techniques, Crime Scene Sketching and Digital Photography, Photography Effects, Post Processing, Introduction to Photoshop, What makes a good photograph?, Photography Glossary, Documentation etc

## **FORENSIC AUDIO AND VIDEO ANALYSIS - SYLLABUS -**

Introduction to Forensic Video Analysis, Introduction to Forensic Audio Analysis, A basic understanding of forensic video technology, Legal concepts regarding Digital Multi-Media Evidence, Digitizing, playback and analysis of video, Application of video evidence in the legal setting, Recovery of digital video, Scientific methodology of forensic video analysis, Exporting evidence as video or still image files, Video and Audio Evidence handling procedures, Digital image processing, Audio Analysis Methodology, Speech and Noise Characteristics, Audio Clarification Principles, Voice identification, Author identification, Forensic phonetics, Speaker identification, Voice spectrograph, Tools and Softwares used in Video and Audio Analysis, Noise Reduction Tools, Ethics for the Expert Witness etc

## **FORENSIC ENTOMOLOGY - SYLLABUS -**

An Introduction to Forensic Entomology, History of Forensic Entomology, Advances in Forensic Entomology, Forensic Importance of Insects, Arthropod Biology & Entomology, Crime Scene Investigation, Collection at the Crime Scene, Estimating the time since death, the use of insects in death investigations, Expert Witness, Report Writing

## **PRIVATE INVESTIGATOR / DETECTIVE- SYLLABUS - Course Code: FS001**

An Introduction to a Private Investigator, Civil and Criminal Laws in India, Importance and Role of a Private Investigator, The code of ethics, Obtaining a License as a Private Investigator, Types of Crimes and Investigations, Theft, Fraud, Deception, Assault, Accident, Trespass etc, Crime Scene Investigation and Forensic Photography, Criminal Profiling, Portrait Parle and Modus Operandi, Forensic Science and Criminology Basics, Forensic Experts, Scientists and Investigators, Introduction to Fingerprint Verification and Handwriting Examination, Methods of identification and Sources of information, Evidence- Gathering, Preserving and Presenting, Background Investigations, Protection and Security, Writing Opinions, Preparing a case file or Reporting to client, Starting a business & Career as an investigator and Getting Clients

## **DISK IMAGING AND e-DISCOVERY - SYLLABUS -**

Introduction, Basic Terminologies, Important Tools, Disk Imaging, Write Blockers, Keyword Searching, E-Mail Recovery, Document Search, Deleted File Recovery, User Activity and History tracking, Working on Duplicate Media, Working on Live System, Methods and Procedure, Presentation of Evidence, Explanation of certain errors found, Expert Witness, Report Writing etc

## **CELL PHONE - (MOBILE) FORENSICS - SYLLABUS -**

Introduction and Basics of Cell Phone Forensics, A brief history of the development of mobile phone technology, The history of mobile phone forensics, The mobile phone forensics process, PDA Forensics, Digital Evidence Handling for Cell Phones and SIM Cards, SIM Card Cloning, Call History Recovery, Deleted SMS Recovery, Evidence in Mobile Phone Systems, Mobile Storage Media, Forensic analysis of mobile phone internal memory, Digital Camera Forensics, Advanced Cell (Mobile) Phone Forensics, Mobile phone forensics case studies, Tools used in Mobile and SIM Card Forensics, Expert Opinion Report Writing, Ethics for the Expert Witness

## **FORENSIC ACCOUNTING / FINANCIAL FRAUD EXAMINER – SYLLABUS**

Introduction to Forensic Accounting and Fraud Examination, Principles of Forensic Accounting and Fraud Examination, Roles of the Forensic Accountant, Detection / Investigation and Prevention of Fraudulent Financial Statements, Locating hidden assets, Financial Crimes or Frauds in organizations, Avoiding common mistakes in fraud risk assessment and examination, Credit Card Frauds, Online Transaction Frauds, Cheque Frauds, Expert Witness, Report Writing etc...

## **Drone Forensics: Drone Technician Cum Operator : SYLLABUS -**

Intro. to Drones, Drone Rules & Regulations, Registering Drone UIN and Licensing of UAV Pilots, Drone Principles and Performance, Understanding Communications, Remote Pilot Responsibilities, Operating Rules, Operating Limitations including Weather, Restricted Zones, Safety considerations, Reporting an Accident, Maintenance and Inspection, Drone Investigations etc... Drone Examinations : Examination of Drone Found on Crime Scene or any other suspicious space, identify and extract sources of data available from drones.

**ELIGIBILITY:**

**Diploma:** 10th passed in any discipline from recognized Board/ School/ College.

**Certificate Course:** Basic knowledge about related field.

**Short Term Course:** Interest in related area

**PG Certification:** Graduation in any discipline from recognized School, College, Institute or University. (Final year appeared students can also apply)

**Advanced Course Certification:** 10th (SSC) or 10+2 (HSC) or Diploma passed in any discipline from recognized Board/ School/ College. (Final year appeared students can also apply)

**Short Terms Certificate Course Certification (No Exam):** 10th (SSC) or 10+2 (HSC) or Diploma passed in any discipline from recognized Board/ School/ College OR Basic knowledge about related field.

**Certification (Expert / Gold):** 10+2 (HSC) / Diploma or Pursuing Graduation in any discipline. Basic / Introductory knowledge about related field.

**Professional Specialized Certification:** Diploma with min. 1 year experience in related area, or Graduation or Post-Graduation in any discipline from recognized School, College, Institute or University. Basic knowledge and Experience about related field. (Final year students can also apply)

**Universal Certification :** 10+2 (HSC) or Diploma or Graduation / Post Grad. in any related discipline from recognized Board / School / College, Institute / University. (Final year students can also apply). Most Advanced but slightly flexible course for everyone.

**EXAMINATION SYSTEM:** Students will have to appear for an Online Exam for each semester.

You can appear for Online Exam from anywhere, any internet connected PC, Mobile etc.

**MARK DISTRIBUTION:-**

<b>Objective / Multiple Choice Exam (Paper-1)</b>	50 Questions – 100 Mark
<b>Assignment (Only for Short Term Course)</b>	1 Assignment – 100 mark
<b>Poster Presentation (Sem. 2)</b>	100 Mark

**IFS GRADING SYSTEM:**

<b>A</b>	75% AND ABOVE
<b>B</b>	60% AND ABOVE
<b>C</b>	50% AND ABOVE
<b>F</b>	LESS THAN 50 % (FAIL)

# **COURSE BENEFITS, SCOPE AND CAREER**

## **COURSE BENEFITS AND FEATURES:**

- Improve Your Skills and Knowledge
- We will help you start your own Forensic Practice, Career & Forensic Services office.
- Indicates skill and expertise levels and progressing more quickly on your career journey
- These courses will add additional weightage to your basic qualification
- Students can "attend" a course at anytime, from anywhere, because there are no geographic barriers to online learning.
- Students satisfaction with program services & positive impact on student's experience
- Course material is accessible 24 hours a day 7 days a week.
- This Courses guides you through a complete method for Forensic Investigation, Legal Framework and procedures
- Placement Support in Forensic Laboratories, Detective Offices, Banks and other Govt. and private agencies as Forensic Experts, Forensic Scientists, Investigator, Fraud Examiner, Legal Consultant, Scientific Officers, Research Officers etc...

## **SCOPE, CAREER AND OPPORTUNITIES:**

### **Govt. Sector-**

Police Department, Crime Branches, CBI, CID, Forensic Science Laboratories, IB, Banks, Defense/Army, Courts, Quality Control Bureau, Narcotics Dept., Universities, Hospitals, Organizations etc...

### **Private Sector-**

Detective Agencies, Banks, Insurance Companies, Universities, Hospitals, Security Services Agencies, Helpful to Lawyers/Advocates, Law Firms, Private Companies, Own Private Practice etc...

### **Job Titles / Posts-**

Forensic Expert, Forensic Scientist, Forensic Investigator, Crime Scene Investigator, Handwriting Expert, Document Expert, Document Examiner, Fraud Examiner, Forensic Analyst, Scientific Officer, Security Expert, Forensic Consultant, Detective, Investigating Officer, Teacher / Professor, Crime Reporter, Forensic Engineer, Forensic Psychologist, Fingerprint Expert, Law Consultant, Government Examiner, Instructor, Genetics Experts, Environment Analyst, Technicians, Forensic Medical Examiners, Technician etc...

## **STUDY MATERIAL / KIT:**

- Printed Material (Books / Notes)
- CD/DVD (Software's, Tools, e-Books, Presentations, Notes etc...)
- Identity Card and Examination Card
- Certificate, Completion Letter and Mark Sheet

## Fee Concessions and Scholarships:

### 1) GENERAL COURSE FEE CONCESSION:

FEE CONCESSION TYPE AND DETAILS:	Concession (%)
<b>Ex-Serviceman-</b> Defence Persons and son of defence person, or freedom fighters.	6 %
Police Officers, Govt. Officers, Bank Officials (Including Law Enforcement Officers)	7 %
Forensic Experts, Scientists, Detectives and Investigators (Crime Investigators)	6 %
Regd. Medical Practitioners / Doctors / Dentists, Lawyers / Advocates.	7 %
Forensic Govt. Officers, Judges, Scientists, Examiners etc (Class I & II – Gazetted Officers)	8 %
Teacher / Faculty / Practitioners from Forensic Sciences, Life Sciences & other related area.	5 %
A Physically Handicapped Person (Min. 40% disability)	6 %
IFS Experts, IFS Investigators and IFS Employees (Internal)	30 %
IFS Ex-Students / Old Students.	7 %
IFS Members and IFS Certified Candidates.	9 %
Students belong BPL category (Below Poverty Line) BPL Certificate / Card copy required.	9 %
Students having total family income less than 75,000 Rs. per year from all sources.	9 %
Students having total family income less than 70,000 Rs. per year from all sources.	25 %

### 2) SCHOLARSHIPS: (Available for eStudy mode Courses only, first come, first served)

Students belong BPL category (Below Poverty Line).	30 %
Students belongs SC, ST, OBC, BC, MBC, SBC, VJ / DT, NT, SEBC, and other categories recommended by Indian Government, and Son / Daughter of Farmer.	25 %
Students having annual family income below / less than 2 Lakh Rs.	20 %

### 3) Special Concession Schemes For Ex-Students & Members: (Available for eStudy mode Courses only)

Diwali Gift / New Year Gift for All Students and Members.	25 % to 50 %
Winter and Summer season for All Students and Members.	25 % to 50 %

### 4) SPECIAL CONCESSIONS & DISCOUNTS :

Group Discounts (5 Students or more)	20 %
Multiple Course Admissions (2 or more) by single student.	10 %
